

THE «SANGOMA SPA» EXPERIENCE

In this temple of sensual fulfillment, where space and light form an oasis of calm, our wellness centre offers a variety of ways to relax and unwind and will guide you in your quest for perfect harmony.

• *The heated indoor swimming pool and jacuzzi*

At the heart of this haven of peace, in a pavilion flooded with natural light and large picture windows letting the outside in, you will find the 17-metre pool and adjacent Jacuzzi. Immerse yourself in total wellbeing.

• *Sauna and Hammam*

Sanctuaries of purification par excellence, the sauna and hammam know how to seduce you with their dry or wet heat. The body relaxes and unwinds, the mind is purified and the senses just slip away.

• *Fitness*

The fitness centre offers a variety of high-tech Techno Gym equipment as well as a private training room.

• *The Treatment Centre*

The CARITA treatment centre, which is dedicated to the face and body, offers a range of top quality products and personalized treatments. The massage and body treatments combine modern day techniques with ancient traditions, which will gently transport you to another world.

• *The Solarium*

In spring and summer, the swimming pool opens out onto a sun deck equipped with sun loungers and parasols, where you can enjoy drinks and cocktails from our extensive list.
