

# SEMINARS

A prestigious establishment run by professionals to guarantee the success of your functions.  
An ideal location for work and play.

## The conference rooms

The Villa du Lac has a magnificent terrace offering panoramic views on the Mont Blanc range, on Lake Geneva and Geneva itself. With a surface area of 65 m<sup>2</sup> it can accommodate up to 48 people.

The air-conditioned room is equipped with a projection screen, an overhead projector, one direct line telephone/fax outside lines, a "flip-chart", free access to the Internet via a fast PC and Wifi/LAN, a printer, a video projector (rental supplement).

The Salon Voltaire is situated adjacent to the restaurant. Its 40 m<sup>2</sup> surface area can accommodate up to 16 people.

This air-conditioned room is equipped with a "flipchart", an overhead projector, a projection screen, an outside telephone line, free access to the Internet via a PC and a fast Wifi/LAN connexion. A printer is available beside the reception desk.

## Additional services

Other equipment may be rented on request: VCR, DVD player, television, laser pointer, computer, videoconference system, etc.

You may also request other specific services such as simultaneous translation, floral decorations, hostesses/receptionists, etc.
