About

JIVA HILL

AN EXCEPTIONAL DESTINATION

Just ten minutes from Geneva International Airport, Jiva Hill Resort welcomes you to the Haut-Jura National Park, nestled in the heart of a 123-acre private estate with views of Mont Blanc. The resort's sleek design prioritizes both comfort and the preservation of its natural environment. "Jiva," a Buddhist term meaning life, embodies the essence of Jiva Hill—the living hill—a place where contemporary luxury blends seamlessly with elegance and discretion, offering an extraordinary, refreshing experience.

Label

GREEN KEY

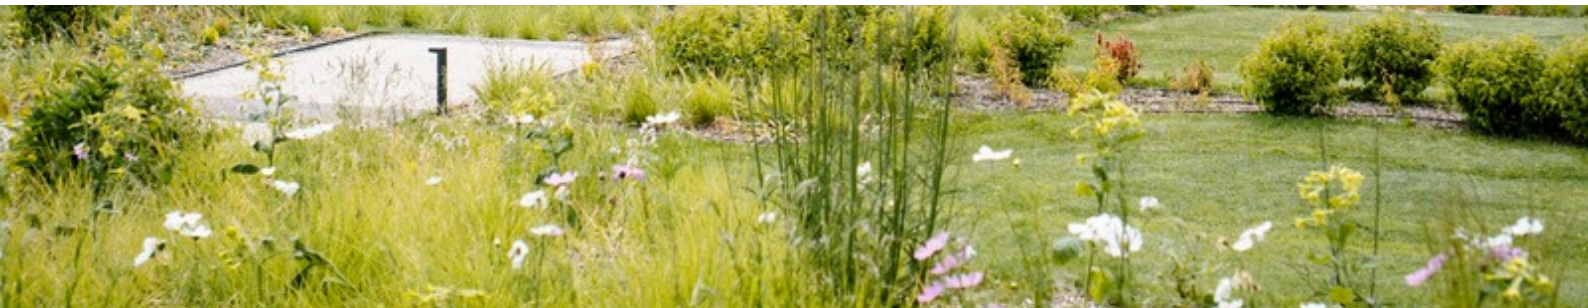

As part of our ongoing commitment to the environment, we have stepped up our efforts and are proud to announce that we have been awarded the prestigious Green Key label.

Internationally recognized, this label honors tourism establishments and restaurants that demonstrate exemplary, voluntary, and ambitious environmental practices. It is granted annually by an independent jury of experts and professionals in tourism and sustainability.

This recognition is a testament to our continued dedication and reinforces our mission to combine excellence with environmental responsibility, embedding our operations in a path that is both sustainable and forward-thinking.
